

Dear Parents,

Your child has the opportunity to be part of the **Blackwell Family STEM Night as a part of the Science Fair held on February 8, 2018.**

During the next several weeks your child will be choosing a question and designing a science project that uses the scientific process to solve a problem. This is an at-home task that your child can do independently or with the whole family. We hope you agree that the educational benefits are numerous, as students develop skills in writing, oral presentation, creative thinking, and problem solving.

TIMELINE

- January 19th – Return the registration form to the Blackwell office. On the form will be your child's choice of project and your information for future Science Fair information.
- February 5th – project is almost done - tri-folds, information display, etc. Double check that you have everything you need
- February 8th – Family Science Fair Night at Blackwell– 6:00 pm.
All models and demonstrations can be brought the night of the event.

We ask that you encourage your child and monitor his or her progress along the way. Your support is key to a successful project and a fun experience. Guide your child whenever and wherever you can, but let the final project reflect your child's individual effort and design. Feel free to help with spelling and punctuation.

If you have any questions, do not hesitate to contact us. We look forward to all the amazing projects, experiments and discoveries!!

Sarah and Elle

Blackwell Family STEM NIGHT Science Fair Participation form

Registration Form **Due: January 19, 2018

(turn in to school office or send electronically to the co-chairs)

Name of Scientist: _____

Age: _____ Grade: _____ Teacher: _____

Give a description of what you plan to show:

I want to do an experiment involving...

A problem I want to try to solve is....

Parent Signature Verifying Approval: _____

For event updates:

Best Parent Email (please print clearly): _____

Parent Phone: _____

For office use only:

Table #: _____

Email: _____

Important Information for Parents

We want this to be an enjoyable experience for you and your child. If you have any questions or need guidance we are available to assist. There are no hard and fast rules, only guidelines, so please don't feel you have to do everything outlined in the Planning Guide – it is merely a guide if you want.

Emails will come to you regarding new updates, reminders of the timeline and due dates, and as the **BIG** night approaches, other information such as what your child might need for his/her booth.
